February 2011

Proposed freeway alignment through Laveen

The Arizona Department of Transportation, the Federal Highway Administration and the Maricopa Association of Governments, in conjunction with the City of Phoenix, invite you to attend a public information meeting to learn about recent proposed options to the South Mountain Freeway through Laveen.

The purpose of this public information meeting is to present the W59 Alternative and two proposed options between Baseline and Elliot roads, from 63rd Avenue east to 61st Avenue. A brief presentation by the City of Phoenix regarding their recommendations will be

made at the meeting. ADOT will also provide information regarding the 63rd Avenue and 61st Avenue alternative options. An open house will be held following the presentations. In addition, members of the community will have the opportunity to ask questions and provide input during the meeting.
